Just a couple of hours after France captured its second World Cup, the first being 20 years ago, the Premier League kept the action going with a Second Division Consolation Group match. Veteran side Ideal outlasted H Town 3-2 in what started out slowly, but turned into a highly competitive match! The hard fought and very clean game went back and forth after a scoreless first half, and H Town made it interesting with a late goal, but Ideal held on for a solid victory to finish out the Spring campaign.

With only a few matches left nearly all of the races will come down to the final Match Day – should be awfully interesting!!
