BROTHER, CAN YOU SPARE 190 MILLION DIMES?!

Bugatti's La Voiture Noire is the most expensive new car ever pricey for your budget, Bugatti's basic model, the Chiron, only you'll just have to make do with the Veyron – it's a bargain at just pennies for routine service – an oil change for the Veyron costs 16 different drain plugs, accessible after intricately removing removing the car's grill, rear fender liners and rear deck including tires runs nearly \$40,000; but the floor mats are only about League Central! No word on service costs for the new La Voiture

and costs roughly \$19 million (including taxes)! If that's a bit too costs about \$3 million. But if you can't afford the Chiron, then \$1.7 million. However, don't forget to save your millions of over \$20,000! The Veyron uses a dry-sump oiling system with parts of the underbody, which takes hours. Refilling requires rear brakes, which are bigger than the front brakes. A set of \$1,500!! That's just walkin' around money for us here at Premier Noire, most likely because only one was made!

In the First Division, the relegation battle was the topic at the start of the day, but at the end, nothing had changed! Wolves sealed Duke City's fate by breaking an early second half tie with three unanswered goals in a 4-1 win; while Celtic held on for a 3-2 victory over OBFC whose comeback from a 3 goal halftime deficit came up a bit short. With those results, both OBFC and Duke City finished below the redline and will spend the Fall 2019 season in the Second Division. Also, due to those results, Antrim Ballers survived the drop even before sealing their First Division future by dispatching Torres, which started the match short-handed, 3-0. The remaining clubs had already concluded their Spring campaigns.

In the Second Division, the only match-up was an important one that decided the second team for promotion. FC Clintonville scored early in a 4-1 triumph over FC Tango to secure a return to the First Division for the Fall 2019 season. Congratulations to FC Clintonville! The other scheduled matches were decided on paper as a couple teams decided to take the weekend off.

So, after a relatively uneventful Spring season – certainly compared to last Fall – we turn our focus to the upcoming Fall 2019 season which will commence quite soon. Spetember 8 to be exact! So let's do it!! And if anyone wants to give us a few million, we'll make due with the Veyron!!
