!!!!!!!!!!!!!!!!!!!! SAVED THE CREW !!!!!!!!!!!!!!!!!!!!!

Yes, we're going to keep shouting it from the rooftops!! Now, some of you may not really care -- and we'd agree with you, but then we'd be wrong too!! Sometimes it's hard to see the forest for the trees, when you're in that forest, but the #SaveTheCrew movement has been like no other! And one of the reasons that we here at Premier League Central are excited and proud is that several current and former CPSL players have been integral in this grassroots movement from Day 1. And equally exciting is that one of the main partners in the new ownership group is a top physician with longtime CPSL partner Orthopedic One!! For that -- and to anyone and everyone involved -- we say THANK YOU!!

Meanwhile, the Columbus Premier League encountered frigid temperatures for the first time in a long time before the sun came out to help warm things up -- but not much -- for Match Day Seven on Sunday October 22 at Easton.

In the First Division, Wolves continue their impressive shutout streak to stay atop the table after dispatching Clintonville 5-0; and Hammers A took advantage of an early Celtic send-off in a 2-1 victory. Antrim Ballers are keeping pace with a game in hand by doubling-up on Capitals 2-1; and OBFC defeated Mutiny by the same score; while United and Torres were rescheduled to a later date.

In the Second Division, Columbus City took to the top spot after handling Duke City 7-2; SDC grabbed a late goal to nab a 3-2 win over Hammers B; and H Town beat up on a short-handed Tango 5-1; while FC Columbus was idle with an official forfeit from disbanded Lions.

So, as we round the turn and head towards the conclusion of this Fall season, there are many questions still to be answered. Not the least of which are who will take the Division titles; who will be relegated and who will earn promotion? Should be an exciting finish!! But one question we no longer need to ask -- or be asked -- is "Will the Crew stay or go?" Because now we know:

#SAVEDTHECREW!!
